### ADULTERATION OF LEMON EXTRACT.

On May 15, 1913, the United States Attorney for the District of Columbia, acting upon a report by the Health Officer of said District, filed in the Police Court of the District aforesaid an information against Jane R. Codwise, Washington, D. C., alleging the sale by said defendant, at the District aforesaid, on October 10, 1912, in violation of the Food and Drugs Act, of a quantity of lemon extract which was adulterated.

Adulteration of the product was alleged in the information for the reason that a valuable constituent thereof, to wit, lemon oil, had been left out and abstracted in whole or in part.

On May 15, 1913, the defendant entered a plea of guilty to the information and the court imposed a fine of \$5.
