

4584. Adulteration of eggs. U. S. * * * v. 15 Cases of Eggs. Default, decree of condemnation, forfeiture, and destruction. (F. & D. No. 6884. I. S. No. 10901-l. S. No. C-321.)

On September 17, 1915, the United States attorney for the Western District of Missouri, acting upon a report by the Secretary of Agriculture, filed in the District Court of the United States for said district a libel for the seizure and condemnation of 15 cases, each containing 30 dozen, of eggs, remaining unsold in the original unbroken packages at Kansas City, Mo., alleging that the article had been shipped, on or about September 3, 1915, and transported from the State of Kansas into the State of Missouri, and charging adulteration in violation of the Food and Drugs Act.

Adulteration of the article was alleged in the libel for the reason that it consisted, in whole or in part, of a filthy, putrid, and decomposed animal substance.

On October 21, 1915, no claimant having appeared for the property, judgment of condemnation and forfeiture was entered, and it was ordered by the court that the product should be destroyed by the United States marshal.

CARL VROOMAN, *Acting Secretary of Agriculture.*
