6601. Adulteration of milk. U. S. * * * v. Zachary Harding. Collateral of \$25 forfeited. (F. & D. No. 496-c.)

On May 31, 1919, the United States attorney for the District of Columbia, acting upon a report by the health officer of said District, filed in the police court of the District aforesaid an information against Zachary Harding, Germantown, Md., alleging the shipment by said defendant, in violation of the Food and Drugs Act, on May 12, 1919, from the State of Maryland into the District of Columbia, of a quantity of milk which was adulterated.

Adulteration of the article was alleged in substance in the information for the reason that it consisted in whole or in part of a filthy, decomposed, and putrid animal and vegetable substance.

On May 31, 1919, the defendant having failed to appear, the \$25 collateral that had been deposited by him to insure his appearance was ordered forfeited by the court.
