

Misbranding of the article was alleged in substance in the libel for the reason that the above-quoted statements appearing in the labeling, regarding the curative and therapeutic effects thereof, were false and fraudulent since the said article contained no ingredient or combination of ingredients capable of producing the effects claimed.

On November 30, 1920, no claimant having appeared for the property, judgment of condemnation and forfeiture was entered, and it was ordered by the court that the product be destroyed by the United States marshal.
