

The article was alleged also to be misbranded under the provisions of the law applicable to drugs, as reported in notices of judgment on drugs and devices, No. 1811, in which is set forth the nature of the false and misleading statements referred to above.

DISPOSITION: March 22, 1946. No claimant having appeared, judgment of condemnation was entered and the product was ordered destroyed.

10897. Misbranding of Golden Brand Soi-Jus (soya oil). U. S. v. 42 Cans, etc., and a number of circulars. (F. D. C. No. 18667. Sample No. 36678-H.)

LIBEL FILED: December 28, 1945, Western District of Washington.

ALLEGED SHIPMENT: On or about January 15, 1942, December 26, 1944, and January 13 and October 9, 1945, by the Soi-Jus Co., from Chicago, Ill.

PRODUCT: 42 1-pint cans and 33 1-quart cans of Golden Brand Soi-Jus at Seattle, Wash., together with a number of circulars entitled "Drink Golden Brand Soi-Jus."

NATURE OF CHARGE: Misbranding, Section 403 (a), certain statements on the label and in the circulars were false and misleading.

The article was alleged also to be misbranded under the provisions of the law applicable to drugs, as reported in notices of judgment on drugs and devices, No. 1879, in which is set forth the composition of the product and the nature of the false and misleading claims in the labeling.

DISPOSITION: March 25, 1946. No claimant having appeared, judgment of condemnation was entered and the product was ordered destroyed.

10898. Misbranding of V-T Preparation. U. S. v. 228 Bottles * * *, and 1,494 circulars. (F. D. C. No. 18967. Sample No. 24738-H.)

LIBEL FILED: January 10, 1946, Southern District of Mississippi.

ALLEGED SHIPMENT: On or about October 10, 1945, by the T-Lax Products Co., from Birmingham, Ala.

PRODUCT: 228 bottles of V-T Preparation at Leland, Miss., together with 1,494 circulars entitled "Vitamins May Mean Life or Death." Analysis showed that the product contained not more than 6.8 grains per fluid ounce of iron and ammonium citrate and not more than 3.05 grains per fluid ounce of calcium hypophosphite.

LABEL, IN PART: "V-T Preparation * * * Each Fluid Ounce Contained When Packed Vitamin B₁ (Thia. Chlor.) * * * 2,000 USP Units, Liquid Vitamin B Complex * * * 2 Grains, Liver Extract * * * 1 Grain, Iron and Ammonium Citrate * * * 8 Grains, Calcium Hypophosphite * * * 4 Grains, Manganese Citrate * * * 1 Grain, Copper Proteinate * * * 1/40 Grain, Malt Extract * * * 72 Grains."

NATURE OF CHARGE: Misbranding, Section 403 (a), certain statements on the bottle label and in the circulars were false and misleading since they represented and implied that the article contained 8 grains of iron and ammonium citrate and 4 grains of calcium hypophosphite per fluid ounce; that it would assist the body in the formation of red blood corpuscles; that it would build weight and strength; and that it would be efficacious in the cure, mitigation, treatment, and prevention of lost appetite, indigestion, after-eating pains, gas, bloating, belching, nausea, sick headache, heartburn, constipation, biliousness, spots before the eyes, backache, loss of energy and vitality, too frequent kidney action, arm and leg pains, bad blood, bad color, boils, pimples, lost weight, stiff joints, sore muscles, rheumatism, nervousness, a tired-out feeling, colds, infection, brittle fingernails, despondency, and irritability. The article did not contain the declared proportions of iron and ammonium citrate and calcium hypophosphite; and it would not be effective to produce the benefits stated and implied.

Further misbranding, Section 403 (j), the article purported to be a food for special dietary uses by reason of its vitamin and mineral content, and its label failed to bear, as required by the regulations, a statement of the proportion of the minimum daily requirement for calcium supplied by the article when consumed in a specified quantity during a period of 1 day.
