

RESULTS OF INVESTIGATION: Examination showed that the article was rice coated with glucose and talc.

LIBELED: 1-12-61, E. Dist. N.Y.

CHARGE: 403(a)—when shipped, the statement in its labeling, namely, the bag label "The need for niacin in human nutrition has not been established" was false and misleading; and 403(g)(1)—the article failed to conform to the definition and standard of identity for enriched rice, since the article did not contain riboflavin; and since the definition and standard of identity for enriched rice does not include rice coated with talc and glucose and known as coated rice.

DISPOSITION: 6-6-61. Consent—claimed by Unanue & Sons, Brooklyn, N.Y., and relabeled.

27356. Wheat. (F.D.C. No. 44134A. S. No. 24-883 R.)
